

Wanna Be in a Music Video? Just Shoot a Selfie!

📢 **Boyzes and girlzes, mens and womens, trannies and grannies —**
You're ALL invited to paricipitate in my upcoming music video for "Liar"! 🔊🔥

📢 This is your chance to get **creative, wild, Punny, or cool** — just send me a video (or video clips) of you lip-syncing to my song **Liar**. Lyrics and music will be provided.

💡 **No need to sing out loud**, (unless it helps you sync with the music) — I'll only use the video and sync it to the track. **Audio quality doesn't matter**. Just bring the vibe!

💡 Ideas:

- You can act out the lyrics
- Sing into a mic 🔊 or... a hairbrush? ... a banana 🍌?
- Perform in your bedroom with colored lights, your bathroom mirror, in your car, outside on a crowded street?
- For the instrumental parts, dance, bang your head, do weird shit, shred a solo (real or air guitar), or even play your electric tennis racquet 🎾👉

💡 **Pro tip:** The more fun & original you get, the more chance you have to be in the video.

🎬 You can do it all in one take. Or separate ideas in clips. Send me everything you got. I'll edit the best parts for the final cut.

📺 If you make the cut, I'll shout you out **on-screen** with your @ or URL and include everyone's clickable links in the video description.

📺 It'll premiere on my YouTube channel 📺 along with sending it to my email list.

Let's make this a wild, fun, collaborative experience!

🚩 **DEADLINE FOR SUBMISSIONS IS MAY 30!!!**
